GAMEPLAY

Play pairs of *Primate Dancers* to build up your *Dance Floor*. Score *Fruit Tokens* when their dance is called by roll of the *Dance Die*. Roll a *Gibbon* to *Take* fruit from other players. Play *Party Crashers* to sabotage opposing dance floors and give yourself an edge. When the fruit runs out, the party is over, and whoever has the most fruit tokens wins.

HIGHLIGHTS

A simple flow of **Draw, Play, Roll** keeps the game moving fast.

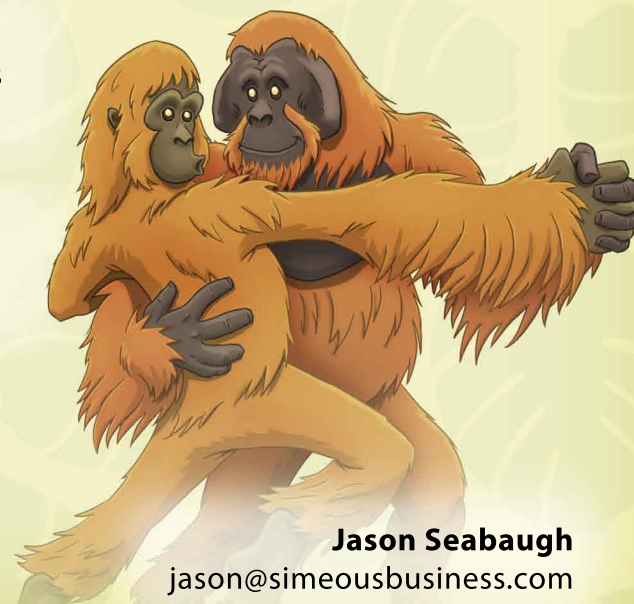

Attack actions allow you to take fruit tokens, cards, and dancers from other players.

Everyone scores on the die roll, keeping players engaged at all times.
